## Psalm 91: No Virus will Kill You!

Recent events have seen a shocking attempt to brain wash you into feeling sick and fearful for your existence.

COVID -19 splashed on the media 24/7, and lock downs, disinfectant and repetitious monologues about a virus that appears to have killed the same as any year of normal flue statistics. This virus appears to have a 98% recovery rate and therefore is no more fatal than the annual flue and yet we don't lock down the entire world's economies and send them broke because of that.

People are now fearful to venture outside and don't want contact and are socially distancing.

All of the treatment and the arrests of any who are trying to stay positive which is the one thing that will bring us through this plague that has beset the world.

NO one or any virus will harm a person who believes in God's healing. He paid the price and there is nothing that can harm you if you live with Him inside of you.

We are not to take the virus vaccinations as they are not for your health that they are being administered, it has a far more shocking application and needs to be researched and avoided. You avoid it by turning now to your heavenly Father who has already overcome the world and no matter how bad it may look, wipe fear out of your mind and ignore the sensationalising of this pandemic.

Go about your business and adhere to hygiene safety but do not allow anyone to tell you that you must have a vaccination because it will be detrimental to you if you do. You avoid having to have anything to do with it by believing God when He says believe in me and NO plague will come near your dwelling. That is all you need to know that there is a way out of this horror story and there is only one way out and that is put God first in your life.

He will bring you out unscathed if you put your trust in Him and let go of fear and stay focused on the words that He spoke to you. "By my stripes you are healed." Believe Him and let no one try to take away your belief in a God who heals all your infirmities, protects you and keeps you from harm. He brought Noah out of the worst time the world had ever known and He will bring you out if you seek Him now.

This book in no way suggests that you give up on medical treatments or stop taking medications or ignore warnings that have been given you by professional Doctors.

## Chapter 1

### *His work is perfect!*

**YOU ARE REDEEMED AND FORGIVEN FROM EVERY TYPE OF SICKNESS,  
DISEASE, CURSE, VIRUS/PLAGUE AND SIN.**

Through the pages of this booklet, you will discover the secrets that Pastors and Preachers have kept hidden from the world the, past two millennium.

The bible is the living word of God Almighty.

He is the Divine Healer of the entire world.

In the book of Acts in the New Covenant, the Apostles went from town to town and people were instantly healed just because they were in the right place at the right time. We read where three thousand were healed in one day.

This was the norm throughout the New Testament writings.

Guess what? It is no accident that you are reading this booklet at this time.

It has come into your hands for exactly this purpose.

To give you a long and health filled life.

Jesus/Yahshua (Hebrew name) healed all those who asked Him.

He did this instantly and without hesitation.

Pastors tell us that in these modern times that He no longer heals us. They explain it away by saying that the apostolic age was the beginning of the church and great gifts were given but now it has all gone and these Miraculous healings simply passed away and are no longer for us.

Are you really going to swallow that bitter pill?

The bible is the 'LIVING WORD!'

He is the same yesterday, today and tomorrow!

I am going to show you that the bible has power and authority on this earth.

## **Pills and more pills!**

Doctors are clever and wonderful people. They are experts in helping you to be well and overcome illness.

However we have the one and only true Healer who came and took away the curse from the earth, so we can all be healed and it is our God given right to be healed from all manner of diseases.

Jesus/Yahshua healed us all at the cross of every disease, virus, poverty there is and it covers any that may come in the future. He has removed us from the curse.

Some will even say that God gave them the sickness. Wrong! He came that we may have life more abundantly. John 10:10.

Why are we sick?

Why are we suffering horrific life threatening sickness and disease?

Why are these plagues coming with such intensity and severity?

## Chapter 2

### Medicine!

My whole purpose is to make you aware of the amazing blessings that are yours if you will simply exercise faith and believe and receive that which is offered to you freely.

Have you been to the Doctor only to be loaded up with pills?

I have seen people sit down to a cocktail of tablets.

All colours, all sizes, for all purposes.

A gentleman came to stay with us for respite from hospital. We agreed that he could convalesce at our place.

I was astounded as he pulled out a plastic shopping bag and placed in on the kitchen bench, I thought he had brought some snacks and bits and pieces and I thanked him, telling him there was no need as we had shopped and had a good

supply of healthy food and as I was speaking I opened the top of the bag and peeped in and to my absolute amazement it was a bag full of tablets!

“Are you serious?” I exclaimed.

He nodded as though he understood my reaction but this was what he had been given along with strict instructions and he had to comply or he could die.

Not only had he been diagnosed with schizophrenia of which he had suffered with for years, but more recently he discovered he had cancer and heart problems and was given only a few months to live.

Through this booklet I am going to share with you God’s, medicine, not only physical ailments but mental and emotional healing as well.

I am not telling you anything that I have not seen or proven for myself.

Through some of my experiences I want to show you that God does heal us and that we only need a grain of faith to bring about miraculous healings.

News Flash!

Faith comes by hearing the word. We have to hear the word in order to have faith. It only requires the faith the size of a mustard seed to activate your healing.

Romans 10:17 So then faith cometh by hearing, and hearing by the word of God.

Every word in the bible is to be taken literally.

The bible is for us here and now.

When you hear or read the word and you believe God’s promises and you believe what you read and apply it to yourself, add your name to the scripture and you will be healed.

We gladly take a script from the Doctor, plus repeat prescriptions, and go to the chemist and pay for expensive medications, but how often do we think to take a script from the Great Physician, that comes with a promise of your healing and we do this by reading His healing scriptures and repeat every day and believe what you read and you will be healed. Every word in the scriptures are meant for you, and He knows your ailment and has already healed you before you even knew you had it.

If you receive what He has freely given you, His promise is, that it will come to pass.

Matthew 10:1 Jesus summoned His twelve disciples and gave them authority over unclean spirits, to cast them out, and to heal every kind of disease and every kind of sickness. The Apostles recorded every word and every healing He did and what they did so that we have access to the exact same healing.

Note: In the above verse His promise is to heal every kind of disease and sickness. There is nothing that cannot be healed.

Believe it, or not? That is precisely what Jesus/Yahshua said.

He did not say it might happen, or maybe it won't happen for some.

All of that disbelief needs to leave you.

**Clear your mind of all previous thoughts about your health.**

From this moment forward if you decide to believe the word then it will be as you believe.

By standing on the word and knowing that it will come to pass. All you have to do is believe it will.

Who better to trust than God Himself?

Some will say why did he make us sick in the first place?

He did not make us sick. He put Adam and Eve in the garden where they had everything imaginable and their health was perfect. It was due to their disbelief that they were taken out of the garden and then lived under the curse. With the curse comes, sickness and poverty.

When He took Israel out of slavery in Egypt, for the entire 40 years in the wilderness there was not one sick among them.

He is a God of abundance and goodness.

There is no sickness or poverty amongst His people.

You may know of many who claim to be Christians but are sick, poor and dying.

That is because most people don't choose to believe what God has promised them, and they allow the negativity of the world to tell them it won't work for them.

People pray for them and say, "Hope you will recover," and "Be well," Is that really believing in the WORD of God?

No, it is just a wish or a hope that it may happen.

If you believe in something you must fully immerse yourself in it with nothing wavering.

Stand on the word and BELIEVE.

Even if it does not appear to be happening we must know that God does not lie, He said I healed you at the cross and took all of your sickness. ALL your sickness!

He has put His will in writing so that it cannot be changed or altered. He is willing to prove to you that His word is trustworthy.

Once you understand that God cannot lie and that He loves you beyond your comprehension and He wants only the best of the very best for you, then you can truly believe.

Too many Christians say, "Oh I am a sinner, so I can't expect Him to heal me."

Everyone is a sinner, but God promises when you turn to Him and believe in Him that He wipes away your sins and remembers them, NO MORE.

Christians who do not understand this and hold on to their past wrongs are not born again. They are not obeying the scriptures and they are putting their own doubts to work instead of accepting the gift and believing in the Father, they listen to man's shortcomings and try to attach them to God.

He has no shortcomings He is the God of His word!

## **I refused to have the flue.**

During my adolescent years I had been the recipient of the flue more times than I care to remember and it was usually a very bad dose.

On occasion I even cracked my ribs, or as the nurse explained to me it was the sinew joining the rib to the breast bone that had cracked.

What-ever it was, it was extremely painful and agonising every time I coughed to the point I think I blacked out from time to time whilst I lay on my bed with my head elevated, which was a tip I was given by the Doctor to help ease the congestion.

That shocking pain and the time wasted in bed trying to fight against this crippling nasty illness finally became too much for me and I simply decided I would never have the flue again.

I read God's promise and I was not a born again believer at that time, but a scripture I had heard sparked a grain of faith in me and I did not let go of it.

Psalms 103:3 He who forgives all thine iniquities; who heals all thy diseases;

## **No more flue for me!**

"I am not having that again!" I shouted aloud after recovering from a severely painful bout that seemed forever to shake off.

"I am just not going through that again. I hate it and I am over it!"

From that day forward I never again had the flu. Many years past and it did not re-occur and it has not come back since.

I heard God's word and I believed Him. I knew He did not change and He said once a thing comes out of His mouth He does not change it.

My biggest test on this stance that I had made came when I worked in a nursing home and a shocking flu strain swept through the 100 bed facility, killing some of the elderly and debilitating the weak residents and there was not one person that did not catch this shocking virus.

The nursing home was quarantined and the Staff was off sick, some requiring a few weeks quarantine, before being well enough to return.

I worked extra shifts to try to make up the lack of staff and often times I was the only one on duty.

The elderly patients kept saying to me, "Oh dear you look so tired, you will be next." My response was...

“NO, I don’t get the flu!”

However that did not satisfy some who thought I was being unrealistic to say the least.

The fact remains, I did not get it, even though a few times a feeling of sickness swept over me, but when I felt as though I may be contracting it I repeated the words, “I don’t get the flu, I just kept saying those words.

I did not get it then, nor do I believe I will ever get it.

### **Chapter 3**

#### **God healed my skin cancer.**

I believed God would heal me and that I did not need to be sick.

Even before I really turned my life to Him, I felt His protective care over my health. I had made a choice to never have the flue. However, I did not apply this conviction over other ailments that attacked my body and there were things that came along from time to time that caused me enough concern that I went to the Doctor.

After a visit to the Medical clinic because I had found a very large cyst on my upper arm, the Doctor informed me, it was skin cancer and it needed to be taken off. He made an appointment for me at the clinic the following week to be done at his surgery.

I had to go away on a week long bus trip, and in my travels to and from Melbourne to Sydney, I spent much of the trip there and back, asking God to please heal this, I thanked Him for not allowing me to get the flue all these years and now asked if He could heal this.

A week later, I arrived at the Doctors clinic and had been so busy, that I had not thought about the cyst, as it was around the back of my upper arm which made it very hard for me to see.

The Doctor went to prepare his implements and told me to lie on the bed. He came and perched on a stool beside me and positioned the tray next to my arm, laying the card with the diagram he had meticulously drawn on my previous visit, of my forearm with the location of the cyst, and a detailed map of the incision he was to make, and placed it beside me.

Suddenly, I felt his firm grasp as he began to turn and twist my arm and he did this repeatedly, each time he would turn back and re-read his card.

“Sit up,” he said in a demanding tone, pulling my other arm forward and twisted it, leaping off his stool around the other side of the bed, to see the back of it.

Looking intently at me he said, “Glenda,” “Yes,” I replied.

“You are Glenda? Then, nodding at my response he added, with a nervous laugh, “For a minute, I thought I had the wrong person.”

“What is wrong, I exclaimed?”

“It is gone, I can’t see a thing,” I could see by the expression on his face was that he was in total confusion.

I felt my arm and I couldn’t feel anything either. By this time, he had lost his composure and he began to apologise profusely, whilst prompting and gesturing toward his sketch of my arm.

“Look, at the diagram that is where it was.” He said pointing to the sketch.

I laughed because he was trying to make me agree, that I’d had a cyst.

I assured him he had not made a mistake, because that is why I came to him in the first place.

He shook his head, smiling, “Well, it is not there now!”

All I could say was “Thank you, God.”

He added, “Someone is looking after you.”

### **God healed my Heart Problems.**

Some years later, I began to develop shortness of breath and it felt as though there was a tight band across my chest, restricting my breathing. Very foolishly I tried to ignore it for a long time, but it was becoming very severe.

Again I went to the Doctor and he immediately booked me in to the Pathology Clinic and said he needed me to go there and have a heart monitor fitted and that I must wear it for a week so he could see what was happening. I was ordered to rest and was given a lengthy list of do’s and don’ts leading up to the day.

This time I thought I had better bring in some heavy artillery to remove this problem.

Thinking if I was to have a healing performed that I needed some good bible believing people to lay hands on me and give me a blessing.

Realising that there was a shortage of such people around, it ended up that I gave myself the blessing.

Placing my hands on my chest I began by revoking the curse. “Get your hands off my body satan and away from my heart, I demanded satan to leave in the name of Jesus/Yahshua.

Then commanding my body to restore and my heart to be renewed and healed, I began speaking health and wellness over myself in Jesus/Yahshua name. Amen!

I searched out some healing scriptures and read them over, then I put on some good DVD’s that calmed me and helped my mind to acknowledge and receive my healing as I drifted off to sleep.

I really did not like the idea that my heart may be failing me or that an operation to have stents or some other inconvenience would be required. I have a great fear of anything to do with hospitals.

When I awoke the following day, I felt different, the tightness in my chest was gone and my breathing was easy. Walking around briskly to see if the issue returned, but it did not and I felt free and a sense of good health that I had not felt for sometime.

I arose and went about my day but soon realised that not only was my heart issue gone but also to my amazement my back no longer pained me.

I had lived with a back problem for years.

It began with a fall from a horse when I was younger and 4 children later the back had suffered much strain and stress. There was nothing I could do about it and I just lived with it. Barely did I even mention it, but it was always there and at times when I moved in certain ways it caught and shot a pain through me that caused me to stop and try, to straighten it and stretch to relieve the ache.

It always took time to settle and to find comfortable positions, when I went to bed.

This morning it was healed. I no longer felt pain and there was comforting, warmth across my back.

Attending my appointment, the nurse said how long since you were feeling breathless, I thought about it but realised that I had not been short of breath since the morning after my blessing so I responded with, “It is a week since I’ve had any breathlessness.”

She smiled and said, “Well dear, it is no point wearing a monitor if you don’t have any symptoms now is it? “No I guess not,” I replied very relieved by this outcome.

“She said, “Now as soon as you feel short of breath again, come straight in and we will apply the monitor.” I assured her that I would not be back as I was healed and she looked at me with one raised eyebrow, claiming, “Well I wouldn’t go that far, it is not going to just disappear and it undoubtedly will come back at any moment.”

It has not come back and I don’t believe it will come back and that was three years six months ago now. I am active and feel very healthy. Praise God!

However at the same time as these previous healings I also had a hip problem. It caused so much pain at times I could barely place my foot down and I hopped around holding onto the furniture. I had mentioned this to the Doctor at the appointment when I went to see him about my shortness of breath but he said we will take care of the heart first as this is most important and then we will see what is happening with your hip.

Seeing as everything else had been healed supernaturally I decided that the hip would heal also, so I did not go back to the Doctor about it. To my disappointment it only became worse, and there were days I could not walk without support.

I assumed it was a displaced or worn hip joint and that possibly I would need a hip replacement but my faith and my trust in God did not waver.

He healed me of three things that had been major health issues and He had stopped me from having the flue for years, so I figured it was me that had not enough faith over the hip.

I searched out some healing scriptures and fell asleep listening to them as I had grown accustomed to doing. I began to feel a great improvement, until getting up hurriedly off the chair and the hip again gave way under me, collapsing and I almost fell, grabbing hold of the table to steady myself, the pain was excruciating,

My family were very concerned and told me to go back to the Doctor, but I was determined that if God healed me of the other things that He would heal me of this and that it must be something I was not doing, it must be a lack of faith on my behalf.

## Chapter 4

### **Forgiveness.**

During some more research is when I read where Jesus had to cast a demon out of a man before He healed him so I figured that this may be what was needed.

I had many attacks from people in my life and any amount of demons could have attached themselves to me. In fact it seemed that someone had cursed this onto me and when I thought about it I knew exactly who had wished me dead. I had to forgive this person and pray for them because this type of thing can hold back blessings.

I also had to make sure that this particular person could not have access to me or cause any further harmful intentions towards me and this was quickly achieved with Gods help. Nowhere does Jesus/Yahshua tell us to reconcile to unrepentant abusers and sinners.

That is not what is being taught there is a false concept that so many Pastors tell you to just forgive so you can be forgiven. In that context it is true we need to forgive, and let go of any ill feelings, but there are certain requirements for sinners to show they have repented and then and only then are we told to reconcile with them if ever. Luke 17:3.

We need to forgive them but that does not always mean we need to be aligned with them. Let go of any bad feelings and hand them to God. Let Him take care of them. They are His children as well as you are and He will deal with them and He always seeks justice for wrong doing so trust Him with them, they are not your problem.

### **Repentance.**

Repentance requires certain steps.

It requires a sacrifice before there can be reconciliation.

Luke 19:28 And Zacchaeus stood, and said unto the Lord; Behold, Lord, the half of my goods I give to the poor; and if I have taken any-thing from any man by false accusation, I restore *him* fourfold.

If anyone has made false accusations against you then they must restore your reputation fourfold.

Or visa, versa, if you have made false claims about someone then it is you that must restore that person's good name four times over.

There are so many people who do harmful things, I don't mean petty things but really betray your trust with abuse of either a mental, physical or emotional nature and then say, "Sorry, forgive me." And then they expect to be immediately forgiven. They put the onus on you and if they are not immediately forgiven they accuse you of not being forgiving, yet they have not done any restoration to the person they have wronged.

Don't allow anyone to push you into reconciling with sinners.

If someone does something horrible to you, you must go to them, take along two or three witnesses and tell them how they have wronged you and if you get a satisfactory repentant person who shows remorse and makes it up to you four times over then you should forgive and reconcile. Matthew 18:16.

Otherwise forgive and let go of any bad feelings but stay clear of that person. Don't remain in the company of sinners. They will bring you down with constant abusive behaviour.

We are forgiven at our conversion but we still make restitution for our past wrongs and have the Spirit who like Zacchaeus was convicted to pay back for their life of wrongs against others.

So please pray for those who persecute you. God will deal with them. Just hand them over to Him and remove them from your life and your thoughts.

If there is anyone who you need to apologise to and make restitution to, do it.

Know that God loves you and He does not ask you to put yourself into alignment with abusers or immoral sinners.

## **Chapter 5**

### **Words have power.**

Never does sickness come from God as some people may tell you.

They think He has given it to people to try them. That is the complete opposite to our loving Father in Heaven. It is Adam that made a wrong choice that resulted in us being under the curse.

Jesus/Yahshua came to earth to overcome it all for us and He healed us at the cross and calls us into His Kingdom here on earth. It is up to us to take up our bed and walk. John 5:8.

We need to take authority over our bodies and any curse that besets us.

### **Words are weapons.**

People who hate us can speak ill health over us. We live in a world where words are weapons and they can either build or tear us down.

Years of neglect, trauma, curses spoken and wrong habits, puts strain on our immune system.

Sin, abuse, neglect, rejection, betrayal...all can cause great emotional and spiritual pain that hurt just as much as physical pain does.

God our Great Physician can completely mend our broken hearts and bind our wounds, healing and making us whole. Spiritual and emotional healing is often a process with steps that we need to put action behind.

We have to take care of ourselves, eat well have healthy food and the best way to pamper our - selves and nurture our bodies and minds is with the *WORD of God*.

### **Mental Health.**

Depression and anxiety is self-talk of a negative type.

We call ourselves names, "I am stupid," "Oh I am so dumb." "I always get things mixed up," "No one likes me," and on and on the list goes with put downs to self.

When children are abused and called names and suffer bullying either at home or school or both, they begin to doubt themselves, they feel unlovable, or useless or any manner of words that have been yelled at them and about them and they convict their own lives, believing the lies and abuse spoken over them and about them and it repeats over and over in their minds.

They tell themselves constantly that she will probably dump me, or she will only cheat on me, or some other form of negative thought process and sure enough it happens and then they say, I knew that would happen.

It happened because it was your belief that it would. Doubt and unbelief need to be eradicated from your life.

These are seeds planted in your mind by satan and he feeds it every day with telling you the same things over and over until you seem to be trapped in that painful cursed world.

What you need to do is let Jesus/Yahshua pull that tree that has grown from the repetitious negativity and is sprouting bad fruit inside of you which causes sickness in your body.

Yank the bad stuff out by the roots and replace it with His words of goodness and kindness and love.

John 15:2 He cuts off every branch in me that bears no fruit, while every branch that does bear fruit he prunes<sup>[a]</sup> so that it will be even more fruitful.

He will then plant His good seed in your heart and you feed the new healthy tree every day by reading His words.

### **Fasting!**

Matthew 17:21 But this kind goes not out but by prayer and fasting.

Oft time's sickness is due to demonic attacks.

Sickness and disease comes under the curse and satan comes to steal, kill and destroy and it is from him that we are made ill.

He steals the word from us and uses every trick in the book to keep us away from God's word because if we all got hold of it and believed, satan could have no more power.

When I decided that my hip problem must be a demonic attack on my body, I set about for three days to cast out and revoke the devil, praying, reading, scriptures every time I felt the pain.

I told my-self over and over my hip is healed.

Then I began a fast and went without food for 24 hours, which during this time I quoted scriptures and told myself and anyone else who inquired, that my leg was healed.

My family said, if you are healed why are, you hopping around like that. I said "I can see your point it may look as though I am not, but Yahshua healed me at the cross and my body just hasn't woken up yet, but it will."

The very next day after I had finished the fast, my hip was healed, it felt healed and I knew that it was and there was no more pain.

Glory to God!

It has remained that way ever since.

It took me six months to overcome this problem.

I had some weeding out and forgiving to do. But now for the past three years there has not been any further pain or discomfort in my hip.

What I have learned from all of this is that we must never give up. We have to believe that God promised us that we are healed and what we need to do is believe.

Not all healings take place immediately; there is a commitment from us to exercise faith and to believe.

Never give up and keep praying and reading scriptures and there are some things that require that we fast.

I enjoy great health and am grateful that I was able to hear the word and believe for my healings.

So many people suffer with the same problems that I experienced and have to go through operations, therapy and convalescing which can take months, years, and can even end in death and the cost for all of this is staggering.

### **Will it work for everyone?**

I knew a lady who had been struck down with Polio at age 13 years. I met her when I was working in nursing support as a care worker and by this time she had been a quadriplegic for much of her life.

She became a famous mouth painting artist and earned a very good income allowing her to buy her own hobby farm of a few acres and she ran Shetland ponies on it with the assistance of paid workers. She was a lovely Christian lady and I tried to approach the fact that she could be healed if she had faith. She would not even discuss this, and she explained that she had been this way for over 30 years and that it was too late now.

What I think she felt was that if she suddenly could walk and use her arms, how would, she survive, how would she make a living. Her art was great and she earned a living from it by being in the mouth painting association.

She brushed me off saying, “No Jesus gave me this illness so others could learn from me.” I wondered what they were learning and how much greater would it have been for all those who knew her if she got up out of that chair and walked. She would have fame and could preach to the world her fortunes would have been secured.

How much glory she could have given to Jesus/Yahshua if people had seen her healed. All she needed to do was ask and then believe that God would heal her.

How many other young quadriplegic’s could have followed and believed in the power of healing. Jesus healed lame and maimed which means people without use of limbs, had their function back and could walk.

Miracles are happening all over the world with feet growing back and limbs that have been useless fully functioning again.

I have no doubt that she could have been healed, just like the lady in the bible who had been crippled and stooped over for 18 years. She had spent all her money on medical procedures and nothing changed. No one could help her, but when she saw Jesus she surged forward and touched the hem of His garment and was instantly healed. Matthew 9:20.

A lame man was healed who had been crippled since birth and he was now 38 years old when Jesus healed him. John 5:1-15.

There is not cut-off date for healing after a certain amount of years in a certain condition. Sometime it is all people know and it is an uncomfortable life, but somehow it is their comfort zone.

When you meet Jesus/Yahshua wherever you are and what ever age you are and what-ever your ailment is, it is your time to be healed.

You meet Him by simply inviting Him in and asking Him to heal you.

We fear making a fool of ourselves or we listen to the doubters and like Jesus said to Thomas, blessed are those who believe without seeing, but believed.

Often we think it happens to other people but not us.

Jesus/Yahshua died on the cross to overcome the curse for all people and to take sickness and disease from us and what we need to do is believe Him and take Him at His word.

I have heard of literally thousands of people who have experienced healing from the worst diseases, because they believed and they read scriptures and stood on the word of God.

He organised the bible, and He called prophets to demonstrate His miracles because His intention from the beginning was that we live in the Kingdom where there is no pain, sickness or suffering, and He promises you the same blessings as He promised Abraham, Isaac, Jacob, Joseph, King David, King Solomon the richest men in the world in their times because He blessed them beyond measure for their faithfulness.

You may have seen people doing great faith healing performances and had people throwing away their crutches only to learn that these who were healed ended up crippled again in a short time.

This is where many will bring doubt to your mind and tell you it is false and that Jesus/Yahshua doesn't heal. But that is not true. His word is there for us to read and believe and experience healing for ourselves.

I believe they were healed but we are warned if we begin to doubt or go back to negativity, slander and un-forgiveness that the whole process can stop.

It happened to me with my hip, it felt healed but then returned and was just as painful as before, but with further study of the word I discovered the reason for it and when I again put my faith in the word, I was healed.

I remind myself daily by playing healing scriptures, reading the word, so that I may keep the promises offered by God, with me at all times, to strengthen me and have His protection always.

## **The power in WORDS.**

God spoke the world into being.

He said "Light Be," and there was light. He divided the light from the dark and called it day.

With the use of His Words, we can speak our lives into health, wealth and happiness.

That is His intention for us.

When Jesus/Yahshua came and took our stripes for us He gave us His authority to speak our own health, wealth and abundance into being. We are not waiting on Him to do something for us. He did it! Now we need to receive His healing.

### *Chapter 6*

#### *Healing Scriptures.*

*Read them daily and keep them with you.*

Mark 3:15 And to have authority to cast out the demons.

He gave us authority over sickness and disease!

Matthew 10:1 Jesus summoned His twelve disciples and gave them authority over unclean spirits, to cast them out, and to heal every kind of disease and every kind of sickness.

Mark 6:7 And He summoned the twelve and began to send them out in pairs, and gave them authority over the unclean spirits;

Luke 10:19 "Behold, I have given you authority to tread on serpents and scorpions, and over all the power of the enemy, and nothing will injure you.

Mark 6:13 And they were casting out many demons and were anointing with oil many sick people and healing them.

Matthew 10:8 "Heal the sick, raise the dead, cleanse the lepers, cast out demons. Freely you received, freely give.

Luke 10:17 The seventy returned with joy, saying, "Lord, even the demons are subject to us in Your name."

Acts 8:7 For in the case of many who had unclean spirits, they were coming out of them shouting with a loud voice; and many who had been paralyzed and lame were healed.

Acts 19:12 So that handkerchiefs or aprons were even carried from his body to the sick, and the diseases left them and the evil spirits went out.

These people did not even have to touch the Apostles they just believed and took hold of the Apostle Paul's work aprons and were healed.

### Memory Loss?

I worked in an aged care unit for many years and noticed that many elderly talked themselves into their wheel chairs.

"Oh I knew I would end up like this," They would say. Telling me that their mother before them had diabetes and lost the use of her legs and an aunt had done so, so they knew it would happen to them.

Sure enough they were right, it happened to them.

So many times I have heard people say I started forgetting things and every one warned me I would lose my memory.

"I can't remember a thing," they would add.

They began doing cross word puzzles to try to keep their mind engaged so they didn't lose their memory.

That is great keep using your mind but it is no point speaking over yourself curses of a lost mind at the same time.

"I am doing this cross word because most people my age lose their minds."

Keep talking about losing the mind and no matter how hard you try to exercise your brain the words you are speaking over yourself will come to pass.

"I am so stupid, I would forget my head if it wasn't screwed on," they continued on and on with a string of statements that told them they would suffer from memory loss and they knew it would happen to them because it had happened to some-one in the family and the minute they forgot where they put something, they began fearing the inevitable, they were getting like poor old aunt who lost her mind and couldn't remember a thing.

The family made sure that they knew about losing their memory once people got past 40 years of age. They all began to notice and point out that they were losing things and forgetting things.

What a load of nonsense that is. The busy lives we lead people often forget and I have seen children in the class room forget things so many times it becomes annoying but their young minds are in perfect health.

Losing and forgetting comes from too many distractions and it is easily remedied by taking the time to know that God gave you a sound mind.

2 Timothy 1:7 For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

Nowhere in the bible does it tell us at a certain age we are going to deteriorate into a dumbed down vegetable who cannot remember what they ate for breakfast?

This comes about by speaking negative words over people from an early age, warning about poor old aunt who lost her memory. Fear comes into people's minds and then they say, "My luck I will end up like that."

This type of talk needs to stop IMMEDIATELY!!

Do not talk problems onto yourself!

Don't let others speak them over you!

Don't speak them over other people!

God said He gave us a sound mind so why are people telling themselves that God got it wrong and he created people to turn into vegetables?

All through the bible we see people living on for hundreds of years and doing extraordinary things.

Not one of them lost their memory?

Of course Doctors will refute this and think it a much deeper problem and of course they should know after all they have researched it for years, but without God in their thinking then it is hard to believe in the theories.

His will is that we live a long and healthy life.

Psalm 91:16 "With a long life I will satisfy him And let him see My salvation."

A promise that goes with keeping of His commandments is for a long life.

In Exodus 20:12 Honour thy father and thy mother: that thy days may be long upon the land which the LORD thy God giveth thee.

Deuteronomy 5:33 "You shall walk in all the way which the LORD your God has commanded you, that you may live and that it may be well with you, and that you may prolong your days in the land which you will possess.

God gives us the promise of a long life.

God does not want it cut short on sickness and disease.

### **Healing Verses from The Psalms.**

The Book of Psalms is a collection of cries, prayers and praise. The authors of each chapter experienced every struggle, heartache and fear imaginable. This collection of comforting verses will help guide you toward whole and complete healing.

"Then they cried to the LORD in their trouble, and he saved them from their distress. He sent out his word and healed them; he rescued them from the grave. Let them give thanks to the LORD for his unfailing love and his wonderful deeds for mankind." Psalms 107:19-21.

"LORD my God, I called to you for help, and you healed me." Psalms 30:2.

"The righteous cry out, and the LORD hears them; he delivers them from all their troubles. The LORD is close to the broken hearted and saves those who are crushed in spirit. The righteous person may have many troubles, but the LORD delivers him from them all; he protects all his bones, not one of them will be broken. Evil will slay the wicked; the foes of the righteous will be condemned. The LORD will rescue his servants; no one who takes refuge in him will be condemned." **Psalms 34:17-22.**

## **Healing Miracles of Jesus/Yahshua.**

Jesus's healing is for today just as much as it was when he walked the earth and performed miracles of healing the sick and disabled.

The Bible tells us that "But he was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed." **Isaiah 53:5.**

"Jesus went throughout Galilee, teaching in their synagogues, proclaiming the good news of the kingdom, and healing every disease and sickness among the people. News about him spread all over Syria, and people brought to him all who were ill with various diseases, those suffering severe pain, the demon-possessed, those having seizures, and the paralyzed; and he healed them." **Matthew 4:23-24.**

"Jesus called his twelve disciples to him and gave them authority to drive out impure spirits and to heal every disease and sickness...Heal the sick, raise the dead, cleanse those who have leprosy, drive out demons. Freely you have received; freely give." **Matthew 10:1-8.**

"On hearing this, Jesus said to them, "It is not the healthy who need a doctor, but the sick. I have not come to call the righteous, but sinners." **Mark 2:17.**

"Jesus went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness." **Matthew 9:35.**

"He said to her, "Daughter, your faith has healed you. Go in peace and be freed from your suffering." **Mark 5:34.**

"One day Jesus was teaching, and Pharisees and teachers of the law were sitting there. They had come from every village of Galilee and from Judea and Jerusalem. And the power of the Lord was with Jesus to heal the sick. Some men came carrying a paralyzed man on a mat and tried to take him into the house to lay him before Jesus. When they could not find a way to do this because of the crowd, they went up on the roof and lowered him on his mat through the tiles into the middle of the crowd, right in front of Jesus. When Jesus saw their faith,

he said, "Friend, your sins are forgiven." The Pharisees and the teachers of the law began thinking to themselves, "Who is this fellow who speaks blasphemy? Who can forgive sins but God alone?" Jesus knew what they were thinking and asked, "Why are you thinking these things in your hearts? Which is easier: to say, 'Your sins are forgiven,' or to say, 'Get up and walk'? But I want you to know that the Son of Man has authority on earth to forgive sins." So he said to the paralyzed man, "I tell you, get up, take your mat and go home." Immediately he stood up in front of them, took what he had been lying on and went home praising God. Everyone was amazed and gave praise to God. They were filled with awe and said, "We have seen remarkable things today." **Luke 5:17-24.**

"And a woman was there who had been crippled by a spirit for eighteen years. She was bent over and could not straighten up at all. When Jesus saw her, he called her forward and said to her, "Woman, you are set free from your infirmity." Then he put his hands on her, and immediately she straightened up and praised God." **Luke13:11-13.**

"One Sabbath, when Jesus went to eat in the house of a prominent Pharisee, he was being carefully watched. There in front of him was a man suffering from abnormal swelling of his body. Jesus asked the Pharisees and experts in the law, "Is it lawful to heal on the Sabbath or not?" But they remained silent. So taking hold of the man, he healed him and sent him on his way. Then he asked them, "If one of you has a child or an ox that falls into a well on the Sabbath day, will you not immediately pull it out?" And they had nothing to say" **Luke14:1-6.**

"Stretch out your hand to heal and perform signs and wonders through the name of your holy servant Jesus." After they prayed, the place where they were meeting was shaken. And they were all filled with the Holy Spirit and spoke the word of God boldly." **Acts 4:30-31.**

"There he found a man named Aeneas, who was paralyzed and had been bedridden for eight years. "Aeneas," Peter said to him, "Jesus Christ heals you. Get up and roll up your mat." Immediately Aeneas got up." ~ **Acts 9:33-34.**

"You know what has happened throughout the province of Judea, beginning in Galilee after the baptism that John preached - how God anointed Jesus of Nazareth with the Holy Spirit and power, and how he went around doing good and healing all who were under the power of the devil, because God was with him." **Acts 10:37-38.**

"As he was going into a village, ten men who had leprosy met him. They stood at a distance and called out in a loud voice, "Jesus, Master, have pity on us!" When he saw them, he said, "Go, show yourselves to the priests." And as they went, they were cleansed. One of them, when he saw he was healed, came back, praising God in a loud voice. He threw himself at Jesus' feet and thanked him—and he was a Samaritan. Jesus asked, "Were not all ten cleansed? Where are the other nine? Has no one returned to give praise to God except this foreigner?" Then he said to him,

“Rise and go; your faith has made you well.” **Luke 12:17-19.**

“While I am in the world, I am the light of the world.” After saying this, he spit on the ground, made some mud with the saliva, and put it on the man’s eyes. “Go,” he told him, “wash in the Pool of Siloam” (this word means “Sent”). So the man went and washed, and came home seeing. His neighbors and those who had formerly seen him begging asked, “Isn’t this the same man who used to sit and beg?” Some claimed that he was. Others said, “No, he only looks like him.” But he himself insisted, “I am the man.” “How then were your eyes opened?” they asked. He replied, “The man they call Jesus made some mud and put it on my eyes. He told me to go to Siloam and wash. So I went and washed, and then I could see.” **John 9:5-11.**

"As soon as they left the synagogue, they went with James and John to the home of Simon and Andrew. Simon’s mother-in-law was in bed with a fever, and they immediately told Jesus about her. So he went to her, took her hand and helped her up. The fever left her and she began to wait on them. That evening after sunset the people brought to Jesus all the sick and demon-possessed. The whole town gathered at the door, and Jesus healed many who had various diseases. He also drove out many demons, but he would not let the demons speak because they knew who he was."

**Mark 1:29-34.**

"While Jesus was still speaking, someone came from the house of Jairus, the synagogue leader. “Your daughter is dead,” he said. “Don’t bother the teacher anymore.” Hearing this, Jesus said to Jairus, “Don’t be afraid; just believe, and she will be healed.” When he arrived at the house of Jairus, he did not let anyone go in with him except Peter, John and James, and the child’s father and mother. Meanwhile, all the people were wailing and mourning for her. “Stop wailing,” Jesus said. “She is not dead but asleep.” They laughed at him, knowing that she was dead. But he took her by the hand and said, “My child, get up!” Her spirit returned, and at once she stood up. Then Jesus told them to give her something to eat. Her parents were astonished, but he ordered them not to tell anyone what had happened.” **Luke 8:49-56.**

Hearing this, Jesus said to Jairus, “Don’t be afraid; just believe, and she will be healed.” **Mark 9:23.**

Is anyone among you sick? Let them call the elders of the church to pray over them and anoint them with oil in the name of the Lord. And the prayer offered in faith will make the sick person well; the Lord will raise them up. If they have sinned, they will be forgiven **Mark 10:52.**

Heal the sick, raise the dead, cleanse those who have leprosy, drive out demons. Freely you have received; freely give. **James 5:14-15.**

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. **Proverbs 17:22.**

**Our world is in need and waiting on our Great physician who heals ALL our diseases.**

**Do not chance your life now. The COVID-19 virus is the beginning of many more calamities according to the bible, we are about to enter a time that is more wicked and violent than any time in history.**

Jesus Christ/Yahshua prophesied of a time that would take place shortly before His return to Earth—a time of the greatest suffering in human history. He called it “The times of the Gentiles.”

Do you believe these words of Yahshua?

“And when ye shall see Jerusalem compassed with armies, then know that the desolation thereof is nigh. ... For these be the days of vengeance, that ALL THINGS WHICH ARE WRITTEN MAY BE FULFILLED” (Luke 21:20, 22).

The Bible is *full* of prophecies of this horrific time, and Christ said *all of them* will be fulfilled within a short span of time. If you follow the signs He gave us, you know that time is upon us.

“And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until THE TIMES OF THE GENTILES be fulfilled” (verse 24).
